INTRODUCTION

In 1997 Dr. Nand Panjwani opened the New York Medical Career Training Center. His love and dedication for the medical field inspired him to provide training to people who are willing to dedicate themselves to the medical field. Dr. Panjwani believes he must provide quality training to his students in order for him to be successful. To accomplish this, Dr. Nand consistently evaluates the Medical Curriculum with industry specialists, rewrites the curriculum and hires qualified industry individuals to teach at the school.

THE MISSION

The New York Medical Career Training Center's Mission is to provide the skills necessary for graduates to be placed in Medical programs offered by the school. The school's role in achieving this mission is to keep current with employer expectations, and maintain those expectations based on academic standards.

LISA M. SANTIAGO:

Nurse Aide/Assistant Instructor

LENNOX RODNEY, R.N:

Nurse Aide/Assistant Instructor

KEITH WILLIAMS, R.N:

Nurse Aide/Assistant and Internship Instructor

INSTITUTION POLICIES

ENROLLMENT:

The *Entrance Requirements* for The New York Medical Career Training Center are:

- High School Diploma or General Education Diploma (GED) or higher College Degree. If a student does not have a H.S. Diploma, GED or higher College Degree, the student is required to take the Ability to Benefit exam (offered for free at the school) and score a passing grade.
- Social Security Card
- Valid Picture ID

The high school diploma or transcript requirement can also be from a foreign school if the evaluation indicates it is equivalent to a US high school diploma; Documentation of proof of completion of secondary education from a foreign country must be officially translated into English and officially certified as the equivalent of high school completion in the United States.

FINANCIAL AID INFORMATION:

- **Financial Aid is only available for the Medical Assistant and the Diagnostic Medical Sonographer programs to those who qualify. Financial Aid School Code #041337**
- New York Medical Career Training Center administrates its financial aid program in accordance with prevailing federal and state laws and its own institutional policies. Students are responsible for providing all requested documentation in a timely manner. Failure to do so could jeopardize the student's financial aid eligibility. In order to remain eligible for financial aid, a student must maintain satisfactory academic progress as defined in this catalog.
- It is recommended that students apply for financial aid as early as possible in order to allow sufficient time for application processing. Financial aid must be approved and all necessary documentation must be completed, before the aid can be applied toward tuition and fees. Financial aid is awarded on an award year basis, therefore, depending on the length of the program it may be necessary to re-apply for aid for each award year. Students may have to apply for financial aid more than once during the calendar year, depending on their date of enrollment. Students who need additional information and guidance should contact the Financial Aid Office.
- This grant programs is designed to assist needy undergraduate students who desire to continue their education beyond high school. Every student is entitled to apply for a Federal Pell Grant. Eligibility is determined by a standard U.S. Department of Education formula, which uses family size, income and resources to determine need. The actual amount of the award is based upon the cost of attendance, enrollment status, and the amount of money appropriated by Congress to fund the program. Unlike loans, the Federal Pell Grant does not usually have to be paid back.

FEDERAL STAFFORD LOANS

Federal Stafford loans, available through the Federal Family Education Loan Program (FFELP), are low-interest loans that are made to the student by a lender, such as a bank, credit union, or savings and loan association. The loan must be used to pay for direct and/or indirect educational expenses. Subsidized loans are need-based while unsubsidized loans are not. Repayment begins

six months after the student graduates, withdraws from school, or falls below half-time enrollment status.

FEDERAL PARENT PLUS

The Federal Parent PLUS loan is available to parents of dependent undergraduate students. These loans are not based on need but when combined with other resources, cannot exceed the student's cost of education. A credit check is required and either or both parents may borrow through this program. Repayment begins within

GRADING CHART			
GPA	GRADE	NUMERICAL EQUIVALENT	PROGRESS
4.00	A	97-100	Excellent
3.67	A-	95-96	
3.33	B+	91-94	
3.00	B	87-90	Above Average
2.67	B-	84-86	
2.33	C+	81-83	
2.00	C	77-80	Below Average, But passing
1.67	C-	74-76	Failure
1.00	D	65-73	Failure
0.00	F	0-64	Failure
0.00	I		Incomplete

STANDARDS OF PROGRESS:

All students must maintain satisfactory academic progress in order to remain enrolled at the school. Additionally, satisfactory academic progress must be maintained. Students are issued a numerical grade for each program/ course. The numerical grade is based upon student performance for a combination of classroom work, quizzes, tests, projects and homework assignments. The numerical value of each of these factors varies from program/ course to program/ course and is provided to each student at the start of each program/ course. All classroom work, quizzes, tests, projects and homework assigned during the program/ course must be completed before the student begins the next program/ course. A numerical grade of "0" is given for work not completed by the end of the program/ course and is averaged into the program/ course grade, unless the incomplete work is the result of a leave of absence (refer to leave of absence). A final progress report will be given to student at the end of the program/ course. The final grade will indicate if the student passed or failed the class. A student, who receives a final grade of "C -" "D" or "F", will have to repeat the program/ course. If the program/ course is not a pre-requisite of the next quarter program/ courses, the student may have the option, with the approval of the Education Director, of taking the failed program/ course along with the next term program/ courses. This applies, if the school is able to do so schedule wise. A student that repeats a failed program/ course must pay all program/ course costs. Upon returning, if a student fails a program/ course due to special conditions, interruption due to emergency, or a leave of absence, the student may repeat the program/ course free of charge. The student must inform the Education Director, in writing, of the reason for the interruption, as well as get approval as described under the Leave of Absence Policy (see Leave of Absence). The only fees a student may be charged are book fees if new books are needed for the repeated program/ course. Students who fail two or more programs/ courses per term will be placed on probation. A student must pass each program/ course in the curriculum with a minimum grade of 77%, "C", in order to continue in the program and qualify for graduation. The required G.P.A. for graduates is 2.00. A student scoring below that should speak to the Education Director to seek tutoring and general academic counseling during the subsequent program/ courses.

Federal regulations require all schools participating in state and federal financial aid, Title IV, and HEA programs to properly monitor and document SAP. These standards are applicable to all students enrolled in our Educational Programs and are used to measure their satisfactory progress toward graduation. The policy is provided to all students prior to the first-class session and is consistently applied to all applicable students

New SAP definitions went into effect on July 1, 2011. Policies were developed to determine the academic standards that students must meet. A schedule of measuring the achievement of Quantitative (Pace), Qualitative standards as well as the maximum time allowance to achieve SAP.

SAP standards are established by the faculty in consultation with the Director of Education Programming. Students must maintain SAP according to the set standards in order to continue enrollment. SAP is measured at the end of each payment period, and will be checked prior to disbursement of aid.

SAME AS, OR STRICTER THAN

The SAP policy for Title IV, HEA students is consistently applied and identical to the school’s actual measurement used to monitor qualitative and quantitative standards, as well as maximum time frame for students enrolled in the same educational programs who are not receiving Title IV aid.

The Financial Aid Administrator reviews the Title IV SAP policy to ensure it meets all federal requirements. The Director of Education Programming notifies the Financial Aid Office if the school changes academic policies.

EVALUATION PERIODS

At each formal SAP evaluation point (end of each payment period), the school checks:

- Qualitative Measure (grade based)
Remedial course work may be part of or separate from regular qualitative measure
- Quantitative Measure (Pace)
- Maximum time frame.

Formal evaluations for SAP must coincide with the end of a payment period. The formal evaluations must be placed in each student’s file. Evaluations determine if students have met the minimum requirements for SAP.

In 1500-hour program evaluations would be conducted

Clock hours (after first payment period) 450 Hours	Clock hours (end of second payment period) 900 Hours
3 rd evaluation	4 th and final evaluation

ACADEMIC YEAR DEFINITION

900 CLOCK HOURS AND 26 WEEKS for a clock hour school

QUANTITATIVE MEASURE

To be considered making SAP, Students are required to attend a minimum of 67% of his/her educational program in no longer than 100% of the published length of the program as measured in clock hours and determined by the program. Evaluations are conducted at the end of each payment period to determine if students have met the minimum requirements and are based on the cumulative attendance percentage as of the last day of the evaluation period.

Pace is calculated by dividing the total hours accrued (successfully completed) by the total number of hours scheduled. At the end of each evaluation period, the school determines if students have maintained at least 67% cumulative attendance since the beginning of the course. This indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. Remedial coursework may be included at the school's option.

Full-time students are scheduled to attend (30) clock hours weekly and part-time students are scheduled to attend (12) clock hours weekly.

MAXIMUM TIME FRAME

A school may use a graduated standard instead of the fixed standard above. This would mean that the student could attend less than 67% in the first payment period but would have to eventually "catch up" to complete the program in the required 150% of the time.

SAP policies contain a Pace measure. Students must progress through the Program at a sufficient pace to ensure completion within the maximum timeframe of 150% of the published length of cumulative clock hours.

The maximum time for students to complete the Program is as follows:

For undergraduate programs measured in credit hours, this is a period that is no longer than 150% of the published length of the program measured in credit hours attempted.

For undergraduate programs measured in clock hours, it is a period that is no longer than 150% of the published length of the program as measured by the cumulative number of clock hours the student is required to complete and expressed in calendar time.

Normal Clock Hours 900	Normal Timeframe 34 weeks	Maximum Clock Hours 1350	Maximum Timeframe 51 weeks
------------------------------	---------------------------------	--------------------------------	----------------------------------

**Example: If an undergraduate academic program is 27 weeks and $1.5 \times 27 = 40.5$ the time cannot be rounded. If, at any time the student cannot complete the program within the maximum time frame, then the student must successfully appeal for an extension to the maximum time frame to continue receiving title IV aid.

To calculate the pace at which the student is progressing the school would:

- Divide the cumulative hours the student has successfully completed by the cumulative number of hours the student has attempted.

$$\frac{\text{Cumulative hours completed}}{\text{Cumulative hours attempted}}$$

The maximum time frame must be measured at each evaluation point (the student is ineligible at the evaluation point when it is determined that the student will exceed the maximum timeframe NOT at the point when they actually reach the maximum timeframe.)

If a student is meeting satisfactory academic progress before the beginning of a payment period, but will exceed the maximum time frame before the end of the payment period, the student must submit a successful appeal to extend the maximum time frame to at least the end of the payment period.

QUALITATIVE MEASURE

The qualitative measure, used to determine SAP, is based on grades. Students must maintain a cumulative grade point average of at least 2.0 at the end of each semester. (A school may have an overall cumulative GPA AND a semester GPA requirement but the Cumulative GPA must be used for SAP).

The school uses a fixed standard (the school may use a graduated standard, such as requiring a 1.5 at the end of the first payment period and 2.0 after that, but if this is done the school must check to be sure the student can graduate on time.)

Students must make up failed or missed evaluations and assignments. Students receive a letter grade as indicated on the chart below which is based on the end-of-payment period evaluation. Mid-point evaluations are for informational purposes and therefore students do not receive a letter grade.

Schools may choose to exclude certain types of courses, such as developmental or remedial courses, ESL courses and non-credit courses, from the GPA calculation, but the school must track these courses qualitatively in some manner.

Students receive a letter grade as indicated on the chart below and is based on the end-of-semester evaluations. Students who receive an “F” course grade will be required to repeat that course.

GRADING CHART			
GPA	GRADE	NUMERICAL EQUIVALENT	PROGRESS
4.00	A	97-100	Excellent
3.67	A-	95-96	
3.33	B+	91-94	
3.00	B	87-90	Above Average
2.67	B-	84-86	
2.33	C+	81-83	
2.00	C	77-80	Below Average, But passing
1.67	C-	74-76	Failure

1.00	D	65-73	Failure
0.00	F	0-64	Failure
0.00	I		Incomplete

Students who fail to meet the Qualitative standards are placed on Financial Aid Warning. If there is no improvement by the end of the next payment period, students could be placed on Financial Aid Probation. Students have the option to appeal the decision. The Financial Aid Administrator and the Director of Education Programming monitor's qualitative progress

CHECKING SAP:

Student's SAP evaluations, whether after each payment period, annually or less often than each payment period, **MUST OCCUR AT THE END** of a payment period. Official evaluation cannot be less than a payment period.

Frequency of evaluation determines options

- School must evaluate SAP at the end of each payment period for a program that is one academic year or less in length.
- For programs longer than one academic year:
 - School may evaluate at least annually to correspond to the end of a payment period
 - School may evaluate at the end of each payment period.
- Each evaluation must include qualitative, quantitative and maximum timeframe standards.

At the time of review, any student who is not in compliance with SAP standards is no longer eligible to receive any title IV assistance. This is true whether the student has not achieved the required qualitative assessment or is not successfully completing the program at the required pace of completion and will not complete within the maximum time frame.

Each student will be notified by mail of the results of their evaluation and how it impacts his/her Title IV eligibility.

FINANCIAL AID WARNING

The school evaluates SAP at the end of each payment period. Students who do not meet SAP measures described above will automatically be put on Financial Aid Warning for one payment period. This status may only be given to a student who was in compliance with the institution's SAP standards at the previous evaluation. Students who are put on a Financial Aid Warning continue to receive Title IV aid for the next payment periods after they receive the warning status. The student's academic progress will be evaluated at the end of the Warning period. It may not be assigned for consecutive payment periods.

The Warning status is applied only to students with a reasonable expectation of improvement in one payment period.

If a student is making SAP at the end of the Financial Aid Warning period, they shall be returned to normal SAP status with no loss of Title IV eligibility.

A student, who has not improved his standing and still fails to comply with the satisfactory academic progress policy at the end of the Warning Period, will be ineligible for future aid

disbursements. It is advisable for any student on warning status to meet with both a financial aid counselor and an academic advisor to ensure future satisfactory progress and aid eligibility. The student may continue on a cash-pay basis with an approved payment plan. Arrangements for payment must be approved within 10 school days after notification of loss of SAP.

APPEAL PROCESS

The Financial Aid Appeal process allows students who are not meeting SAP standards to petition the institution for reinstatement of title IV aid eligibility. (If a school does not allow an appeal, a student may not be placed on financial aid probation).

Students may have the opportunity to have their financial aid eligibility reinstated by appealing the decision and being placed on Financial Aid Probation. Students have five (5) business days after being notified to institute an appeal. The appeal must be in writing and given to the Executive Director, who will meet with the Financial Aid Academic Appeals Committee to make a decision on the appeal.

The bases on which a student may file an appeal are: injury or illness; death of a relative; or other special circumstances. Students must provide supporting documents and describe in writing any unusual circumstances that warrant special consideration. Students must provide information as to why they did not make SAP and what has changed that will allow them to make SAP by the next evaluation point.

The Executive Director will provide a decision in writing within ten (10) business days.

FINANCIAL AID PROBATION

If the institution approves the appeal, the student may be placed on probation after the institution evaluates the student's progress and determines that the student did not make Satisfactory Academic Progress during the warning or previous evaluation period. Probation will only be for one additional payment period during which the student remains eligible for federal aid.

The student will be placed on an academic plan to regain satisfactory academic progress status to continue to be eligible for federal aid beyond the initial probationary period, the student must either be meeting the cumulative attendance and grade standards as published by the school, or be in compliance with any customized written academic plan.

The academic plan may be as complicated as a course-by course plan toward completion, or as simple as a mathematical formula that specifies the percentage of coursework that the student must now complete. An academic plan may continue for multiple payment plans. The student is now on financial aid probation. At the completion of the plan the student will either be in compliance with SAP or have completed the program. If the student fails to meet the standards established in the plan, the student will no longer be eligible for title IV aid.

In the academic plan, the school determines the minimum grade point average the student must achieve and the number of credits that the student may take.

An academic plan can be changed, if the student files another appeal. The reasons for changing the academic plan are related to unusual circumstances that prevented the student from meeting the requirements of the original academic plan. These reasons may include:

- Two required courses are only available in the same time slot.
- The school is unable to offer a required course during the term outlined in the plan.
- Personal situation or emergency.

All documents concerning a written appeal of an SAP evaluation must be kept in the student file, including the school's written determination of such appeal and details of any academic plan that may be developed.

REINSTATEMENT OF TITLE IV, HEA AID

Reinstatement of aid is limited to the period under evaluation. Students making SAP by the conclusion of the Warning or Probation period will be removed from the warning/probation status and will regain eligibility for Title IV, HEA funding.

A former student requesting to be reinstated as an active student should do so in writing. Supportive documentation and/or information concerning any mitigating circumstances should be noted in the request. The student shall be notified of the Reinstatement Review within five (5) business days following the decision of the Financial Aid Academic Appeals Committee.

Students who regain SAP at the end of the next payment period will have regained full eligibility for Title IV, HEA funding.

RETURN TO TITLE IV FUNDS POLICY

This policy applies to students' who **withdraw officially, unofficially or fail to return from a leave of absence or are dismissed from enrollment** at the School. It is separate and distinct from the School refund policy. (Refer to institutional refund policy)

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required to be returned for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The Payment Period for Clock Hour Schools is one-half of the academic year or program length (whichever is less).

The Date of Determination is the date that the institution determines the student has withdrawn from the program. For schools that are required to take attendance, the date of determination is no longer than 14 days after the Last Date of Attendance. For a student who withdraws while on a Leave of Absence the expected return date will be the date of determination for R2T4 purposes. The Date of Determination starts the clock for timely refunds of Title IV funds, within 45 days after the "Date of Determination".

The Withdrawal Date for schools required to take attendance is the Last Date of Attendance (LDA).

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

Post-withdraw disbursements will occur within 90 days of the date that the student withdrew.

WITHDRAWAL POLICY

“Official” Voluntary Withdrawal

A student is considered to be “Officially” withdrawn on the date the student notifies the Financial Aid Director or School Director in writing of their intent to withdraw. The date of the determination for return and refund purposes will be the earliest of the following for official withdrawals:

1. Date student provided official notification of intent to withdraw, in writing.

or

2. The date the student began the withdrawal from the school’s records.

A student will be permitted to rescind his notification in writing and continue the program, if so chosen. However, if the student subsequently drops, the student’s withdrawal date is the original date of notification of intent to withdraw.

Upon receipt of the withdrawal information the school will complete the following:

1. Determine the student’s last date of attendance as of the last recorded date of academic attendance on the school’s attendance record, and
2. Perform two calculations
 - a. The student’s ledger card and attendance record are reviewed to determine the calculation of Return of Title IV, HEA funds the student has earned, and if any, the amount of Title IV, HEA funds for which the school is responsible. Returns made to the Federal Funds Account are calculated using the Department’s Return of Title IV, HEA Funds Worksheets, scheduled attendance and are based upon the payment period.
 - b. Calculate the school’s refund requirement (see school refund calculation).
3. The student’s grade record will be updated to reflect his/her final grade.
4. The School will return the amount for any unearned portion of the Title IV, HEA funds for which the school is responsible within 45 days of the date the official notice was provided.
5. If applicable, the School will provide the student with a letter explaining the Title IV, HEA requirements. To include,
 - a. The amount of Title IV, HEA assistance the student has earned. This amount is based upon the length of time the student was enrolled in the program based on scheduled attendance and the amount of funds the student received.
 - b. Any returns that will be made to the Federal program on the student’s behalf as a result of exiting the program. If a student’s scheduled attendance is more than 60% of the payment period, he/she is considered to have earned 100%

of the Federal funds received for the payment period. In this case, no funds need to be returned to the Federal funds.

- c. Advise the student of the amount of unearned Federal funds and tuition and fees that the student must return, if applicable.
6. Supply the student with ledger card record noting outstanding balance due to the school and the available methods of payment. A copy of the completed worksheet, check, letter and final ledger card will be kept in the student's file.

In the event a student decides to rescind his or her official notification to withdraw, the student must provide a signed and dated written statement indicating he/she is continuing his or her program of study, and intends to complete the payment period. Title IV, HEA assistance will continue as originally planned. If the student subsequently fails to attend or ceases attendance without completing the payment period, the student's withdrawal date is the original date of notification of intent to withdraw.

Unofficial Withdrawal

Any student that does not provide official notification of his or her intent to withdraw and is absent for more than 14 consecutive calendar days, fails to maintain satisfactory academic progress, fails to comply with the school's attendance and /or conduct policy, does not meet financial obligations to the school, or violates conditions mentioned in the School contractual agreement, will be subject to termination and considered to have unofficially withdrawn.

Within two weeks of the student's last date of academic attendance, the following procedures will take place.

1. The education office will make three attempts to notify the student regarding his/her enrollment status.
2. Determine and record the student's last date of attendance as the last recorded date of academic attendance on the attendance record.
3. The student's withdrawal date is determined as the date the day after 14 consecutive calendar days of absence.
4. Notify the student in writing of their failure to contact the school and attendance status resulting in the current termination of enrollment.
5. The School calculates the amount of Federal funds the student has earned, and, if any, the amount of Federal funds for which the school is responsible.
6. Calculate the school's refund requirement (see school refund calculation).
7. The School's Controller will return to the Federal fund programs any unearned portion of Title IV funds for which the school is responsible within 45 days of the date the withdrawal determination was made, and record on student's ledger card.
8. If applicable, the School will provide the student with a refund letter explaining Title IV requirements:
 - a. The amount of Title IV Aid the student has earned based upon the length of time the student was enrolled and scheduled to attend in the program and the amount of aid the student received.
 - b. Advise the student in writing of the amount of unearned Title IV, HEA aid and tuition and fees that he/she must return, if applicable.

9. Supply the student with final student ledger card showing outstanding balance due the school and available methods of repayment.
10. A copy of the completed worksheet, check, letter, and final ledger card will be kept in the student's file.

Withdraw Before 60%

The institution must perform a R2T4 to determine the amount of earned aid through the 60% point in each payment period. The institution will use the Department of Education's prorated schedule to determine the amount of the R2T4 funds the student has earned at the time of withdrawal.

Withdraw After 60%

After the 60% point in the payment period, a student has earned 100% of the Title IV, HEA funds he or she was scheduled to receive during this period. The institution must still perform a R2T4 to determine the amount of aid that the student has earned.

The School measures progress in clock hours, and uses the payment period for the period of calculation.

The Calculation Formula:

Determine the amount of Title IV, HEA Aid that was disbursed plus Title IV, HEA aid that could have been disbursed.

Calculate the percentage of Title IV, HEA aid earned:

- a) Divide the number of clock hours scheduled to be completed (from the first day of class until the last date of attendance) in the payment period as of the last date of attendance in the payment period by the total clock hours in the payment period.

HOURS SCHEDULED TO COMPLETE

TOTAL HOURS IN PERIOD = % EARNED (rounded to one significant digit to the right of the decimal point, ex . . . 4493 = 44.9 %.)

- b) If this percentage is greater than 60%, the student earns 100%.

- c) If this percent is less than or equal to 60%, proceeds with calculation.

Percentage earned from (multiplied by) Total aid disbursed, or could have been disbursed = AMOUNT STUDENT EARNED.

Subtract the Title IV aid earned from the total disbursed = AMOUNT TO BE RETURNED.

100% minus percent earned = UNEARNED PERCENT

Unearned percent (multiplied by) total institutional charges for the period = AMOUNT DUE FROM THE SCHOOL.

If the percent of Title IV aid disbursed is greater than the percent unearned (multiplied by) institutional charges for the period, the amount disbursed will be used in place of the percent unearned.

If the percent unearned (multiplied by) institutional charges for the period are less than the amount due from the school, the student must return or repay one-half of the remaining unearned Federal Pell Grant.

Student is not required to return the overpayment if this amount is equal to or less than 50% of the total grant assistance that was disbursed /or could have been disbursed. The student is also not required to return an overpayment if the amount is \$50 or less.

The School will issue a grant overpayment notice to student within 30 days from the date the school's determination that student withdrew, giving student 45 days to either:

1. Repay the overpayment in full to New York Medical Career Training Center
2. Sign a repayment agreement with the U.S. Department of Education.

Order of Return

The School is authorized to return any excess funds after applying them to current outstanding Cost of Attendance (COA) charges. A copy of the Institutional R2T4 work sheet performed on your behalf is available through the office upon student request.

In accordance with Federal regulations, when Title IV, HEA financial aid is involved, the calculated amount of the R2T4 Funds" is allocated in the following order:

- Unsubsidized Direct Stafford loans (other than PLUS loans)
- Subsidized Direct Stafford loans
- Direct PLUS loans
- Federal Pell Grants for which a Return is required
- Federal Supplemental Educational Opportunity Grant
- Iraq and Afghanistan Service Grant for which a Return is required
- Other Title IV assistance
- State Tuition Assistance Grants (if applicable)
- Private and institutional aid
- The Student

Earned AID:

Title IV, HEA aid is earned in a prorated manner on a per diem basis (clock hours) up to the 60% point in the semester. Title IV, HEA aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the financial aid director.

Post Withdraw

If you did not receive all of the funds that you have earned, you may be due a post-withdraw disbursement. The School may use a portion or all of your post-withdraw disbursement for tuition and fees (as contracted with the School). For all other school charges, the School needs your permission to use the post-withdraw disbursement. If you do not give permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

The post-withdrawal disbursement must be applied to outstanding institutional charges before being paid directly to the student. Both grants and loans must

be disbursed within 180 days of the date of determination in a post-withdrawal disbursement.

Institution Responsibilities

The School's responsibilities in regards to Title IV, HEA funds follow:

- Providing students information with information in this policy;
- Identifying students who are affected by this policy and completing the return of Title IV funds calculation for those students;
- Returning any Title IV, HEA funds due to the correct Title IV programs.

The institution is not always required to return all of the excess funds; there are situations once the R2T4 calculations have been completed in which the student must return the unearned aid.

Overpayment of Title IV,HEA Funds

Any amount of unearned grant funds that a student must return is called an overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received. You must make arrangements with the School or Department of Education to return the amount of unearned grant funds.

Student Responsibilities in regards to return of Title IV, HEA funds

- Returning to the Title IV, HEA programs any funds that were dispersed to the student in which the student was determined to be ineligible for via the R2T4 calculation.
- Any notification of withdraw should be in writing and addressed to the appropriate institutional official.
- A student may rescind his or her notification of intent to withdraw. Submissions of intent to rescind a withdraw notice must be filed in writing.
- Either these notifications, to withdraw or rescind to withdraw must be made to the official records/registration personal at your school.

Refund vs. Return to Title IV

The requirements for the Title IV, HEA program funds when you withdraw are separate from any refund policy that The School may have to return to you due to a cash credit balance. Therefore, you may still owe funds to the school to cover unpaid institutional charges. The School may also charge you for any Title IV, HEA program funds that they were required to return on your behalf.

If you do not already know what the School refund policy is, you may ask your

Schools Financial Planner for a copy.

Return to Title IV questions?

If you have questions regarding Title IV, HEA program funds after visiting with your financial aid director, you may call the Federal Student Aid Information Center at 1-800-4-fedaid (800-433-3243). TTY users may call 800-730-8913. Information is also available on student aid on the web www.studentaid.ed.gov.

***This policy is subject to change at any time, and without prior notice.**

CALCULATION OF GRADE AVERAGES:

The cumulative program grade is calculated by multiplying the numerical grades received for each program/ course by the number of hours for that program/ course. The result is the number of quality points earned for that program/ course. The quality points for every program/ course are added together and divided by the total number of hours earned to determine the cumulative grade point average.

GRADUATION REQUIREMENTS:

The level of student performance expected by the school is based on the job performance level expected by employers. To graduate, a student must complete all program/ courses, including projects and exams, with grades specified under the Grading Policy. Students will be able to graduate with a certificate if a cumulative grade point average of at least a 2.0 and satisfactory attendance has been achieved.

PROBATION:

A student will be placed on probation if they do not maintain minimum grade requirements and/or has excessive absence as described under the attendance section, and/or who fail two or more program/ courses per term. A student will be placed on probation if at the end of any term the student's cumulative G.P.A. has fallen below a 2.0 on a 4-point scale. The student will then have the following term to regain a 2.0 or higher cumulative G.P.A. If at the end of the second consecutive term the student's G.P.A. is still below a 2.0 New York Medical Career Training Center has the right to dismiss the student for unsatisfactory progress. The only exceptions will be made for extenuating circumstances with approval from the School Director.

ATTENDANCE:

- A student will be placed on probation if at the end of any term they have completed less than 90% of their scheduled hours within their academic program. Once on probation, a student will have the following term to improve their attendance above 90% of the scheduled hours. If at the end of the second consecutive term a student is still below the 90% threshold, New York Medical Career Training Center has the right to dismiss the student for unsatisfactory progress.
- The student will be responsible for all fees, unless the Education Director has noted extenuating circumstances and approves a waiver of program/ course fees. Reasons for absences, methods of correction, and extenuating circumstances will be documented and signed by both the student and the Education Director. When applicable, documented

proof of reason may be requested. The school reserves the right to authenticate such documents when necessary.

- Diagnostic Medical Sonographer, Medical Assistant, and Pharmacy Technician students are responsible to submit their signed clinical time sheet and the Nurse/Aid Assistant teacher submits documentation of the 30-hour internship. Nurse/Aid Assistant, Pharmacy Technician, Medical Assistant and Diagnostic Medical Sonographer students are required to complete 100% of their clinical hours. Students will not be considered to have completed their clinical externships until the site supervisor has certified all required attendance hours. It is the responsibility of the student to provide the school with a timesheet signed by the clinical site supervisor documenting clinical hours completed for a week no later than Monday of the following week.

LEAVE OF ABSENCE:

The following conditions may be considered for leave of absence: medical (including pregnancy), family care (including unexpected loss of childcare and medical care of family), military duty, and jury duty. Any student who must take a leave of absence may do so, by submitting letter stating why the student needs to take a leave of absence, to the school administrative. Also, when applicable, and as requested by the administrative, the student wishing to take the leave of absence must submit documented proof for said emergency. Upon meeting these requirements, the school administrative will then decide whether the student may or may not take a leave of absence. Both the administrative and student will document and sign all approvals, disapprovals or solutions. The student will receive a copy for their records as well. A student will not be allowed to take a leave of absence for more than two consecutive or non-consecutive terms per curriculum length. A student who takes a leave of absence during any program/ course term where the grade of the program/ course will be affected will receive an incomplete grade of "I" for such program/ courses. Once a student retakes the program/ course, the new program/ course grade will replace the incomplete "I" grade. The total time requested off must not exceed 180 days (cumulative) in a calendar period.

CLASS CUTS/ TARDINESS/ MAKE-UPS:

All Students are responsible for all program/ course work missed due to class cuts or absence. A make-up will consist of a minimum of one class hour of instruction (50 minutes). For the Nurse Aide/ Assistant program a make-up will consist of a minimum of one class hour of instruction (60 minutes). A student wishing to make up hours must attend a supervised class with an instructor. In this class they must participate in the current lesson, or work on a make-up assignment as assigned by the instructor. The instructor of the supervised class will initial a makeup sheet. A student cannot make up hours in advance in anticipation of absences. Excessive absences will cause the student to be placed on probation (see probation policy).

DRESS CODE:

While attending classes at New York Medical Career Training Center, students are required to dress in a professional manner. Students who violate the dress or behavior code will not be permitted to attend or remain in the class, laboratory or clinical experience and an absence will be recorded.

- Nurse Aide/ Assistant: White Scrubs.
- Medical Assistant: Navy Blue Scrubs.
- EKG, Phlebotomy & Patient Care Technician: Burgundy Scrubs
- Pharmacy Technician: Sky Blue.
- Dialysis Technician: Surgical Green scrubs.
- Diagnostic Medical Sonographer: Sky Blue scrubs.

DEVICE POLICY:

Personal, on-campus use of audio and image recording equipment must have the written authorization of the school President or Director of Education. In addition, it is required that any authorized person secure the approval of the person they are recording prior to use of the device(s). The equipment/device(s) include, but are not limited to: cell phone cameras, digital and still cameras, motion picture cameras, video cameras, analog and digital tape recorders, solid state digital recording devices or any device capable of recording sound and/or image. Use of audio and image recording devices for personal use without authorization are considered intrusions to academic, management, and student communities. No personal is to charge their devices at the institute. Violation of this policy may be cause for disciplinary action up to and including dismissal from school.

CONDUCT/DISMISSAL:

A student must conduct themselves in a profession manner at all times. There is absolutely no profanity allowed at any time, or any place on or near the school premises. A student may not verbally or physically threaten or commit violent act(s) or crime(s) against any person, be they instructor, student, employee, or visitor. Based on the circumstances of the situation of misconduct, a student will either; be asked to leave the school for a day, placed on probation for a term, or dismissed permanently by the school. In cases of violent acts or crimes committed, The New York Medical Career Training Center has the right to pursue and prosecute the student(s) and or person(s) involved, to the fullest extent of the law. A student/person, who is asked to leave the premises of the school and refuses to do so voluntarily, will be escorted off the premises. The New York Medical Career Training Center will apply these methods to ensure safety for everyone and to create an atmosphere where education is the primary goal. Academic dismissal will be based on student's academic progress and attendance as described under attendance, conduct, and probation policies. A student who is dismissed has the right to appeal to the Education Director, if they feel that their situation merits individual attention due to unusual circumstances that contributed to their failure of a program/ course. The student must write to the Education Director stating the reason for the appeal. The letter must state; 1) the unusual circumstances the student feels caused the failure, and 2) what they have done or plan to do to alleviate the problems they have had in academic performance. The Education Director may request additional information or documentation in support of the student's request. The performance of a student appealing an academic dismissal is reviewed by the Academic Board. The Academic Board is composed of the student's instructor, a senior faculty member and the Education Director. Every area of the student's performance is explored, and a decision concerning the request is made at the end of the review. The Academic Board has the final decision on student performance issues and may implement conditions for the student's continuation in the program/ course.

REFUND POLICY:

Refunds owed on a student account will be paid directly to the Student. Refunds, when due, are made without requiring a request from the student.

The institution shall have a fair and equitable refund policy for the refund of tuition, fees, and other institutional charges in the event the institution cancels a class or if a student does not enter or does not complete the period of enrollment for which the student has been charged. All of the following are elements of a fair and equitable plan:

- a. The institution's refund policy must be published in the catalog and be uniformly administered.
- b. Refunds, when due, must be made without requiring a request from the student.
- c. Refunds, when due, shall be made within 30 days:
 - (1) of the last day of attendance if written notification of withdrawal has been provided to the

institution by the student. If a written notification is not submitted to the institution in a timely manner then there can be a delay on the refund or

(2) from the date the institution terminates the student or determines withdrawal by the student.

- d. Retention of tuition and fees collected in advance for a student who does not commence class shall not exceed \$100.
- e. All refunds will be issued via check: Tuitions and fees can be received via check, credit card, cash, and/or money order but refunds will only be issued via check.
- f. The institution must comply with the refund policies adopted by the Council of Occupational Education (COE).

As referenced in item “f” above, the refund policy adopted by the Council of Occupational Education is as stated below:

1. Refunds for Classes Canceled by the Institution:

If tuition and fees are collected prior to the start date of a program and the institution cancels the class, 100 % of the tuition and fees collected must be refunded. The refund shall be made within 30 days of the planned start date.

2. Refunds for Students Who Withdraw On or Before the First Day of Class:

If tuition and fees are collected prior to the start date of classes and the student does not begin classes or withdraw on the first day of classes, no more than \$100 of the tuition and fees may be retained by the institution. Appropriate refunds for a student who does not begin classes shall be made within 30 days of the class start date.

3. Refunds for Students Enrolled Prior to Visiting the Institution:

Students who have not visited the school facility prior to enrollment will have the opportunity to withdraw without penalty within three days following either attendance at a regularly scheduled orientation or following a tour of the facilities and inspection of the equipment.

4. Refunds for Students Enrolled in Professional Development, Continuing Education, or Limited Contract Instruction:

Institutions engaging in programs which are short-term must have a written policy or contract statement regarding whether or not fees and instructional charges are refundable.

5. Refunds for Withdrawal After Class Commences:

1) Refund Policy for Programs Obligating Students for Periods of 12 Months or Less:

The refund policy for students attending non-public institutions who incur a financial obligation for a period of 12 months or less shall be as follows:

- I. After the first day of classes and during the first 10% of the period of financial obligation, the institution shall refund at least 90 % of the tuition.
- II. After the first 10% of the period of financial obligation and until the end of the first 25% of the period of obligation, the institution shall refund at least 50% of the tuition..
- III. After the first 25% of the period of financial obligation and until the end of the first 50% of the period of obligation, the institution shall refund at least 25% of the tuition.
- IV. After the first 50% of the period of financial obligation, the institution may retain all of the tuition.

2) Refund Policies for Programs Obligating Students for Periods beyond Twelve Months:

Institutions with programs longer than 12 months that financially obligate the student for any period of time beyond 12 months shall release the student of the obligation to pay beyond the 12 months if the student withdraws during the first 12 months. The calculation of the refund for the unused portion of the first 12 months shall be based on section 1) above. If the student withdraws during any subsequent period following the first 12 months, the student's refund for the unused portion of the tuition applicable to the period of withdrawal shall be based on section (1) above. Deviations from the requirements of this policy as stated above are permitted if (1) mandated by an institution's licensing agency or a public institution's governing board and (2) accepted by the Commission.

Term Refund Policy:

1. A student who cancels within 7 days of signing the enrollment agreement but before instruction begins receives all monies returned with the exception of the non-refundable registration fee.
2. Thereafter, a student will be liable for
 - A. the non-refundable registration fee plus
 - B. the cost of any textbooks or supplies accepted plus
 - C. tuition liability as of the student's last date of physical attendance. Tuition liability is divided by the number of terms in the program. Total tuition liability is limited to the term during which the student withdrew or was terminated and any previous terms completed.

a. First Term

If termination Occurs	School may keep
Prior to or during the first week	0%
During the second week	20%
During the third week	35%
During the fourth week	50%
During the fifth week	70%
After the fifth week	100%

b. Subsequent Terms

If termination Occurs	School may keep
During the first week	20%
During the second week	35%
During the third week	50%
During the fourth week	70%
After the fourth week	100%

3. The student refund may be more than that stated above if the accrediting agency or Federal refund policy results in a greater refund.

Quarter Refund Policy:

1. A student who cancels within 7 days of signing the enrollment agreement but before instruction begins receives all monies returned with the exception of the non-refundable registration fee.
2. Thereafter the student will be liable for:
 - A. the non-refundable registration fee plus
 - B. the cost of any textbooks or supplies accepted plus
 - C. tuition liability as of the student's last date of physical attendance. Tuition liability is divided by the number of quarters in the program. Total tuition liability is limited to the quarter during which the student withdrew or was terminated, and any previous quarters completed.

c. First Quarter

If termination Occurs	School may keep
Prior to or during the first week	0%
During the second week	25%
During the third week	50%
During the fourth week	75%
After the fourth week	100%

d. Subsequent Terms

If termination Occurs	School may keep
During the first week	25%
During the second week	50%
During the third week	75%
During the fourth week	100%

3. The student refund may be more than that stated above if the accrediting agency refund policy results in a greater refund.

Mini Refund Policy:

1. A student who cancels within 7 days of signing the enrollment agreement but before instruction begins receives all monies returned with the exception of the non-refundable registration fee
2. Thereafter, a student will be liable for
 - A. the non-refundable registration fee plus
 - B. the cost of any textbooks or supplies accepted plus
 - C. tuition liability as of the student's last date of physical attendance. Tuition liability is determined by the percentage of the program offered to the student.

If termination Occurs	School may keep
0 – 15% of the program	0%
16 – 30% of the program	25%
31 – 45% of the program	50%
46 – 60% of the program	75%
After 60% of the program	100%

3. The student refund may be more than that stated above if the accrediting agency refund policy results in a greater refund.

The failure of a student to notify the director in writing of withdrawal may delay refund of tuition due pursuant to Section 5002 of the Education Law.

WEEKLY TUITION LIABILITY CHARTS

The following charts explain the amount of tuition refund a student would receive if they withdraw or is dismissed during a specific week of their program. The amounts shown are based on the student paying their tuition in full at the beginning of their program. Any funds returned to Title IV programs to the student or on behalf of the student will reduce the refund by that amount.

Diagnostic Medical Sonographer -2250 Clock Hours			
12.5 Weeks per Quarter for 75 wks, 6 Quarters. \$4,900.00 per Quarter			
1st Quarter		Subsequent Quarters	
Week 1	\$4,900.00	Week 1	\$3,675.00
Week 2	\$3,675.00	Week 2	\$2,450.00
Week 3	\$2,450.00	Week 3	\$1,225.00
Week 4	\$1,225.00	Week 4-12.5	\$0.00
Week 5-12.5	\$0.00		

Medical Assistant-900 Clock Hours			
18 Weeks per Term for 36 wks, 2 Terms. \$5,950.00 per Term			
1st Term		Subsequent Term	
Week 1	\$5,950.00	Week 1	\$4,760.00
Week 2	\$4,760.00	Week 2	\$3,867.50
Week 3	\$3,867.50	Week 3	\$2,975.00
Week 4	\$2,975.00	Week 4	\$1,785.00
Week 5	\$1,785.00	Week 5-18	\$0.00
Week 6-18	\$0.00		

OBTAINING TUITION REFUND:

New York Medical Career Training Center's institutional refund policy in accordance with the accrediting agency and state education department policies is expressed as a schedule of revised institutional charges incurred by students who withdraw, based on the length of time they remain enrolled or the consumption of services. The refund policy is entirely the purview of Bursar's office. Bursar's Office is responsible for developing, updating, and distributing the policy to all offices and students. New York Medical Career Training Center includes the institutional refund policy as a part in the Enrollment Agreement form which applies to all NEW YORK MEDICAL CAREER TRAINING CENTER students.

A student (or in the case of student under legal age, his/her parent or legal guardian) who cancels within 7 days of signing the enrollment agreement receives 100% refund all money paid including the registration fees. A student (or in the case of student under legal age, his/her parent or legal guardian) who cancels after 7 days of signing the enrollment agreement, but prior to beginning classes, receives a 100% refund of all monies paid except the registration fees.

All refunds based on the above policy are calculated by the Bursars Office manually. All refunds due to student shall be made within 30 days of formal cancellation by the student or formal dismissal by the school. The student is notified of the results of the refund calculation and notified of his/her liabilities in writing.

The Tuition Reimbursement Fund is designed to protect the financial interest of students attending proprietary schools. If the school closes while you are in attendance prior to the completion of your educational program, then you may be eligible for a refund of all tuition expenses which you have paid. If you drop out of school prior to completion and you file a complaint against the school with the State Education Department, you may be eligible to receive a tuition refund if the State Education Department is able to provide factual support that your complaint is valid and to determine that there was a violation of Educational Law or the Commissioner's Regulations as specified in Section 126.17 of the Commissioner's Regulations. To file a claim to the Tuition Reimbursement Fund, you must first file a complaint with the Bureau of Proprietary School Supervision, New York State Education Department, located at 116 West 32nd Street, 5th Floor, New York, NY 10001 or telephone (212) 643-4760. The staff of the State Education Department will assist you in the preparation of a tuition reimbursement form (a sample of this form should have been provided to you upon enrollment).

PAYMENT:

Payments are accepted via cash, credit card (MasterCard or Visa), money order, checks and/or grants. The school offers payment plans according to schedule and the program/course.

DESCRPTION OF OFFICE SPACE:

MAIN CAMPUS

The New York Medical Career Training Center is located at 136-20 38th Avenue 5F Flushing, NY 11354. The current office space has nine rooms; 1 Classroom with computers for the computer application program/ courses, 4 total classrooms, for lecture or medical lab with all the necessary medical equipment for the medical program/ courses, 1 Administrative office where all the administrative personnel sits, 1 records office where all the records and documents of the students are maintained, 1 director's office and 1 media room where all study materials are available for the students. Our Mission Statement is located in the Administrative Office, to the right of the admissions counter. The First Aid kit can be found at the front desk and can be accessed under the supervision of an administrator.

EXTENSION CAMPUS

The New York Medical Career Training Center is located at 500 8th Avenue Suite 5N New York, NY 10018. The current office space has seventeen rooms; 2 Computer Rooms, 6 Skill Rooms, 6 Theory Rooms, 1 Administrative Office, 1 Director's Room and 1 Server Room. The First Aid kit can be found at the front desk and can be accessed under the supervision of an administrator.

EXTENSION CAMPUS

The New York Medical Career Training Center is located at 711, #C, 2nd Floor, Stewart Ave. Garden City, NY 11530. The current office space has seven rooms; 1 Computer Room, 2 Skill Rooms, 1 Theory Room, 1 Lunch Room, 1 Director's Room and 1 Class Room. The First Aid kit can be found at the front desk and can be accessed under the supervision of an administrator.

CREDIT GRANTING POLICY FOR PREVIOUS EDUCATION AND TRAINING:

Credit for training received prior to attending The New York Medical Career Training Center can be used as transfer credit towards completion of the Medical Assistant and Diagnostic Medical Sonographer program. All credit transferring must be reviewed by the director to be approved.

CERTIFICATION EXAM:

Students for Nurse Aide/Assistant program are required to be certified by The New State Department of Health by become a Certified Nurse Aide/ Assistant.

Students of Medical Assistant program are encouraged to take the RMA exam given by American Medical Technologists (AMT).

Students of Diagnostic Medical Sonographer program are encouraged to take the American Registry for Diagnostic Medical Sonography (ARDMS) exam.

Students of Dialysis Technician program are encouraged to take The Board of Nephrology Examiners Nursing and Technology (BONENT) Certification Exam

Student of all other program/ courses are encouraged to take Certifications exams given by MedCA.

REGISTRATION OF SCHOOL:

The New York Medical Career Training Center is licensed by The New York State Education Department.

PROGRAM/ COURSE DESCRIPTIONS:

DIAGNOSTIC MEDICAL SONOGRAPHER

Financial Aid Program

Total Program Hours: 2250

Externship Hours: 810

Class Hours: 1440

Program Total Hours	2,250
School Tuition	\$29,400.00
Books Fee	\$1,500.00
Registration Fee	\$100.00
Total	\$31,000.00

DMS Program Objectives:

A diagnostic medical sonographer, also known simply as a sonographer, uses imaging equipment and soundwaves to form images of many parts of the body, known as ultrasounds. They are trained to acquire and analyze these sonographic images. These images are used to help doctors diagnose and treat many medical conditions.

Once students have completed the program, they will know how to:

- Get optimum diagnostic results by obtaining, reviewing and utilizing patient data
- Perform ultrasound procedures correctly
- Record physiologic and anatomic information for delivery to the physician
- Maintain sonographic equipment
- Assist physicians with performing invasive procedures requiring ultrasound guidance
- Effectively communicate with patients, coworkers and other medical personnel
- Act professionally, ethically and legally
- Provide compassionate patient care

Students who successfully complete the physics class are eligible for the first part of the ARDMS certification examination in Sonography Principles and Instrumentation (SPI). The second part ARDMS is any one specialty that students are eligible for after completion of the program and internship. Those that have a bachelor degree in any field or an associate in medical field are eligible. If they do not have an associate degree in the medical field, students have to get one year of job experience or students can sit for the ARRT Exam.

Program consists of following courses:

Medical Terminology	45 hours
Anatomy and Physiology	120 hours
Patient Care Techniques, INCL. CPR	90 hours
Physics And Instrumentation	135 hours
Abdomenal Sonography	200 hours
Male Pelvic Sonography	45 hours
Neck (Thyroid And Para Thyroid) Sonography	45 hours
Breast Sonography	45 hours
Musculoskeletal Sonography	35 hours
Gynecology	130 hours
OB 1st Trimester	140 hours
OB 2nd Trimester	75 hours
OB 3rd Trimester	75 hours
Upper Extremity And Cranial Vascular	110 hours
Lower Extremity And Abdominal Vascular	110 hours
ARDMS	20 hours
HIPAA 10 Hours	10 hours
Working As A Sonographer	10 hours
Internship	810 hours

MEDICAL TERMINOLOGY

45 Hours

Medical Terminology is a study of the basic structure of medical words, including prefixes, suffixes, word roots, combining forms, singulars and plurals. The student will be able to recognize, spell, pronounce and define medical words by combining prefixes, suffixes, and roots.

ANATOMY AND PHYSIOLOGY

120 Hours

This course reviews the normal anatomy and physiology of the human body and then expands those concepts in the context of the sonographic appearance, including cross-sectional anatomy and physiology of abdominal, vascular and obstetrical and gynecological structures. Among the main goals of the course is to provide structured information and guidelines for adequate quality scanning procedures.

PATIENT CARE TECHNIQUES, INCL. CPR

90 Hours

Introduction in patient care skills applied to the role of a Sonographer in an imaging department. An exploration of nursing care skills, scanning ergonomics, patient confidentiality, and communication skills with hospital personnel as applied to all areas of sonography.

PHYSICS AND INSTRUMENTATION

135 Hours

This course is designed to cover a broad range of physics topics. As these topics are applied to various problem situations, the student will develop critical thinking skills and through the use of group activities which the student will enhance cooperative attitudes. Topics include computer technologies, math calculations, mechanics, measurement, heat, fluid, and gas laws, as well as, atomic and nuclear physics, electromagnetic, light and sound.

ABDOMENAL SONOGRAPHY

200 Hours

Examines the clinical applications within the specialty of abdominal sonography including interpretation of normal and abnormal sonographic patterns, pathology, related clinical signs and symptoms, normal variants and clinical laboratory tests. Includes laboratory sessions on basic scanning techniques and protocols.

MALE PELVIC SONOGRAPHY**45 Hours**

The course teaches scanning techniques, basic scanning protocols and normal characteristics for the evaluation of the reproductive organs and development as well as abnormal/small parts. Student will be able to recognize transducer cleaning/preparation, image orientation scan plane, and transducer plane, the ultrasound appearance of the pathologies, the imaging characteristics of common seen pathology associated with testes and scrotum, the imaging characteristics of common seen pathology associated with prostate and the imaging characteristics of common seen pathology associated with musculoskeletal system.

NECK (THYROID AND PARA THYROID) SONOGRAPHY**45 Hours**

The course teaches to recognize transducer cleaning/preparation, image orientation scan plane, and transducer plane, the ultrasound appearance of the pathologies and the imaging characteristics of common seen pathology associated with thyroid and parathyroid.

BREAST SONOGRAPHY**45 Hours**

The course consists of describing scanning techniques, basic scanning protocols and normal characteristics of breast, transducer cleaning/preparation, image orientation scan plane, and transducer plane, and the ultrasound appearance of the breast pathologies.

MUSCULOSKELETAL SONOGRAPHY**35 Hours**

The course consists of describing scanning techniques, basic scanning protocols and normal characteristics for the evaluation of the Muscles, Bones, ligaments, Tendons, Joints and Bursae . Student will be able to recognize transducer cleaning/preparation, image orientation scan plane, transducer plane, the ultrasound appearance of the pathologies, and the imaging characteristics of common seen pathology associated with neonatal spinal column. Student will also be able to recognize and demonstrate the imaging characteristics of common seen pathology associated with neonatal hip, neonatal echocardiography, musculoskeletal system, and neonatal spinal column.

GYNECOLOGY**130 Hours**

The course instructs and demonstrates the clinical laboratory test and signs and symptoms used for evaluation Female Reproductive organs. The course will explain the standard patient positions related to sonographic images. The course demonstrates scanning techniques, basic scanning protocols and normal characteristics and evaluations of Uterus Ovaries and Fallopian Tubes, Vagina and Adnexal Area with Vasculature. The course will also teach the scanning techniques, basic scanning protocols and normal characteristics for the evaluation of the reproductive organs and development as well as abnormal/small part.

OB 1st Trimester**140 Hours**

The course teaches the clinical laboratory test and sign and symptoms used for evaluation abdominal organ and small parts pathology, OB. Student will be able to describe and demonstrate the standard patient positions related to sonographic image. The course also teaches normal fetal anatomy, apply appropriate measurements. The course will also estimate gestational age by ultrasound evaluation for confirmation of clinical dating for patients.

OB 2nd Trimester**75 Hours**

The course instructs and demonstrates the clinical laboratory test and sign and symptoms used for evaluation abdominal organ and small parts pathology, OB. It will also describe the standard patient positions related to sonographic image. The instructor will explain normal fetal anatomy, apply appropriate measurements. It will also emphasize on estimate gestational age by ultrasound evaluation for confirmation of clinical dating for patients who are undergoing elective repeat cesarean delivery, induction of labor. The course will also describe and evaluate fetal growth (when the patient has an identified etiology for uteroplacental insufficiency, such as severe diabetes mellitus, or for other medical complications of pregnancy when fetal malnutrition, i.e., intrauterine growth retardation (IUGR) or macrosomia, is suspected).

OB 3rd Trimester**75 Hours**

The course will explain and demonstrate the clinical laboratory test and sign and symptoms used for evaluation of abdominal organ and OB. It will also describe and demonstrate the standard patient positions related to sonographic image. The instructor will explain the normal fetal anatomy, apply appropriate measurements. The course also teaches how to estimate gestational age by ultrasound evaluation for confirmation of clinical dating for patients who are undergoing elective repeat cesarean delivery, induction of labor. The course will explain fetal growth (when the patient has an identified etiology for uteroplacental insufficiency, such as severe diabetes mellitus, or for other medical complications of pregnancy when fetal malnutrition, i.e., intrauterine growth retardation (IUGR) or macrosomia, is suspected). The course teaches to perform biophysical profile for fetal well-being (after 28 weeks' gestation).

UPPER EXTREMITY AND CRANIAL VASCULAR**110 Hours**

The course consisted of teaching the anatomy of the vascular system. The course also demonstrates the common vascular diseases for which the application of ultrasound is critical as a noninvasive diagnostic tool. The course

PROGRAM/ COURSE DESCRIPTIONS:

MEDICAL ASSISTANT
Financial Aid Program

Total Program Hours: 900

Externship Hours: 300

Class Hours: 600

Program Total Hours	900
School Tuition	\$11,900.00
Books Fee	\$400.00
Registration Fee	\$100.00
Total	\$12,400.00

Medical Assistant Program Objectives:

The primary objective of the program is to teach, train and produce skilled medical assistants who can contribute their skills in the healthcare force and serve their community. The program is designed to produce medical assistants with both clinical and administrative skills. The students go to their supervised externship training after completion of in school portion of the program where they utilize their knowledge and skills by helping patients. Once they complete their course requirements to graduate, the school helps them in finding entry-level medical assistant jobs.

In addition, the school helps students in the preparation of the national certification exams. Our students take the Certified Clinical Medical Assistant (CCMA) Examination of National Health Career Association and the Registered Medical Assistant Exam (RMA) of American Medical Technologists. This program also teaches critical thinking, analysis, and problem-solving skills to our students and promotes a lifelong love of learning to all our students.

Program consists of following courses:

Introduction to Computer	30 hours
Medical Billing	60 hours
Medical Office Administration	30 hours
Microsoft Excel	30 hours
Microsoft Word	30 hours
Anatomy & Physiology Of Human Body	120 hours
Lab Procedures and Techniques	120 hours
Phlebotomy	60 hours
Electrocardiography	60 hours
Keyboarding I	30 hours
Keyboarding II	30 hours
Internship	300 hours

ANATOMY, PHYSIOLOGY & MEDICAL TERMINOLOGY

120 hours

The course consists of teaching the basic structure and functions of the human body. It also emphasizes on the various systems of the body such as cardiovascular, respiratory, neurology, gastroenterology, nephrology, and others. The course will also describe in detail about the most common diseases and disorders corresponding to each system. In addition to the anatomy and physiology, the course also includes the teaching of several medical terms, medical specialties, and medical measurements.

PHLEBOTOMY

60 hours

The course concentrates on the proper techniques of blood drawing. It also demonstrates the various methods utilized for blood drawing such as butterfly syringe, needle syringe, and evacuated tube system. The course also consists of describing the terminology used to order laboratory tests and identifying and labeling the parts of the laboratory equipment. The course will teach proper methods of applying gloves, gowns and masks for laboratory procedures. Each student will have the opportunity to practice their phlebotomy skills on mannequin arms and most importantly the students will have an opportunity to practice their technique under the supervision of their instructor.

LABORATORY PROCEDURES & TECHNIQUES

120 hours

The course instructs and demonstrates the proper techniques of various laboratory procedures. The course teaches the basic guidelines for lab safety procedures and the use of personal protective equipment such as hand washing and sterilization of instruments. The course will explain and demonstrate the proper techniques used for examination of each body systems. Examinations includes proper eye examination utilizing Snellen's and Jaeger charts, ear examination with audiometer, blood withdrawal for glucose level with a sterile lancet, and application of dressing and bandages. The course will also teach in the proper techniques of taking vital signs which includes taking various types of body temperatures, measuring of weight and height, measuring blood pressure with sphygmomanometer, taking respiration and pulse rate, and measuring oxygen saturation with a pulse oximeter. In addition, the course also instructs the proper techniques to obtain urine specimen, use of Reagent strips, perform a specific gravity test, perform a pregnancy test and prepare urine specimen for microscopic examination. The course will describe in detail the purpose and various methods to obtain a fecal occult blood test, Pap smear, hemoglobinometer, and Accucheck advantage glucose meter. The course will demonstrate the purpose and the proper use of spirometry test and intradermal skin test. The course will review all the universal signs and standard precautions in regard to human blood and body fluids and also discuss the purpose of the regulatory bodies (OSHA, CLIA) regarding disease transmission. The course will teach the proper preparation methods for a treatment room and a minor surgical tray when assisting the physician.

EKG

60 hours

The course begins with a basic description of the major internal and external structures of the heart. It will also describe the major functions of the cardiovascular system, major blood supply of the heart, and electrical conduction pathway of the heart. The instructor will explain the reasons for performing an EKG and also demonstrate the proper method for obtaining a standard EKG rhythm strip. All students will have the opportunity to practice their EKG techniques utilizing a computer based 12 Lead EKG as well as utilizing a 12 Lead EKG machine. It will also emphasize on interpretation of various rhythm abnormalities from EKG strips. The course will describe in detail the EKG characteristics of sinus rhythms, atrial rhythms, ventricular rhythms, atrioventricular blocks, and pacemaker rhythms. The course will teach on how to handle and resolve troubleshooting problems that arise when obtaining an EKG reading.

MEDICAL BILLING

60 hours

Students get an overview of medical insurance; learn coding procedures, and insurance billing procedures. Students also learn through computerized billing simulations how to create, save, retrieve, edit, and maintain patient files. In addition, post payments to patient accounts, produce insurance claim forms, correct and resubmit rejected claims, produce insurance claim activity reports and enter electronic claims.

MICROSOFT EXCEL

30 hours

Student will learn how to navigate the screen using all possible keys and mouse; correct entries, enter formulas using the mathematical operators to add, subtract, multiply, divide, also apply SUM function; move and clear a specified range; insert and delete cells, rows and columns; undo change decimal format, save, close, and retrieve the file. Students will also learn how to copy ranges, find and replace data, change format, row/column dimensions, fonts, border lines, shade, color, hide columns/rows, spell-check, rename; move, copy, insert and delete a worksheet; create headers and footers, save, exit and find a worksheet, print a specified area

MICROSOFT WORD**30 hours**

Student will learn basic word processing skills such as creating, opening, saving, closing and printing documents. Students will also learn text editing commands such as; spell check, using thesaurus, auto-correct, cut, copy, paste, adding/removing attributes/fonts, and document formatting features. Students then move on to learn advance features such as file management techniques, tables, merge, columns, sorting, creating macros, and desktop features. Students will also learn all command features using various toolbars, keyboard keys, and short-cut methods available in the Word application.

MEDICAL OFFICE ADMINISTRATION**30 hours**

Student will learn about the medical environment in the office, the language of medicine, medical specialties computers in contemporary medicine, the medical staff, the roles of medical professionals, medical ethics, social policy issues. Students will also learn about medical law, and confidentiality issues, patient relations, scheduling, maintaining, and following up appointments, methods of keeping records. Lastly, Student will learn methods to finding and keeping a job, research employment opportunities, job application process, interviewing for a position, and continuing education.

INTRODUCTION TO COMPUTERS**30 hours**

Student will learn about computer systems, types of computers in common use, input, data storage, output and other peripheral components, RAM and ROM memory, bits and bytes and common user interfaces; application software and multimedia. In addition students will also learn about basic Windows operations,; maximize, minimize and restore a window; access an application; retrieve and scroll through an existing file; exit an application; rearrange a desktop as specified; select a new default printer; learn about the internet and e-mail procedures, create and delete shortcuts on the desktop access help features; learn basic file management, and understand computer networks.

KEYBOARDING I:**30 hours****KEYBOARDING II:****30 hours**

After Completion of 600 Classroom hours, student has to complete 300 Hours of externship in order to complete the course.

Schedules:	Mornings	Afternoons	Evenings	Weekends
	9:00am-2:00pm	1:30pm-6:30pm	5:30pm-9:30pm	Friday 5:30pm-9:30pm
	Mon-Fri	Mon-Fri	Mon-Fri	Saturday & Sunday 9:00am-6:00pm
	36 Weeks	36 Weeks	45 Weeks	45 Weeks

The school will cover all equipment such as:

Books, Uniform, Stethoscope, Sphygmomanometer, and CPR Certification

Once the student has received books and supplies the school will not accept any books and supplies back. Students that loses or damages any book or supply the student may purchase from the school as prices listed below. Students are responsible for fees of any received books and/or supplies from the school if they cancel or are terminated from the program/ course.

Prerequisites:

- High School Diploma or GED or a foreign country high school diploma (must be in English or translated into English)

Students of Medical Assistant program are encouraged to take the RMA exam given by American Medical Technologists (AMT).

EKG TECHNICIAN

Total Course Hours:

School Tuition	\$500.00
Books Fee	\$90.00
Registration Fee	\$40.00
Total	\$630.00

In this course the student will label the major internal and external structures of the heart, describe the major function of the cardiovascular system, identify the five types of blood vessels, label the electrical conduction of the heart, explain the reason for performing an EKG, obtain a standard EKG rhythm strip, describe and identify ECG characteristics of Sinus Rhythms. In addition the student will be able to describe and identify ECG characteristics of Atrial Rhythms, identify ECG characteristics of Junctional Rhythms, describe and identify ECG characteristics of Ventricular Rhythms, describe and identify ECG characteristics of Atrioventricular, describe and identify ECG characteristics of AV Blocks, describe and identify different components of Pacemaker Rhythm, describe different interference and trouble shooting and summarize various items of ECG interpretations.

Schedules:	Mornings	Evenings	Weekends
	8:30am-2:15pm	5:30pm-9:15pm	9:00am-4:30pm
	Mon-Thurs	Mon-Thurs	Sunday
	5 Weeks	6 Weeks	8 Weeks

PHLEBOTOMY TECHNICIAN

Total Course Hours:

School Tuition	\$650.00
Books Fee	\$140.00
Registration Fee	\$40.00
Total	\$830.00

In this course students will be able to demonstrate various methods of Phlebotomy such as; the vacuum method for venous blood withdrawal, the butterfly syringe and needle method for venous blood withdrawal, demonstrate a sterile lancet capillary blood withdrawal, an Autolet blood withdrawal for glucose level, the proper use of a Microhematocrit Centrifuge, proper use of a Hemoglobinometer to obtain a hemoglobin level. In addition students will learn the proper use of a Glucometer to obtain a blood glucose level, identify and label the parts of the most common diagnostic laboratory equipment, use basic skills in context of therapeutic and laboratory procedures.

Schedules:	Mornings	Evenings	Weekends
	8:30am-2:15pm	5:30pm-9:15pm	9:00am-4:30pm
	Mon-Thurs	Mon-Thurs	Sunday
	5 Weeks	6 Weeks	8 Weeks

PATIENT CARE TECHINTION

Total Course Hours: 72

School Tuition	\$899.00
Books Fee	\$230.00
Registration Fee	\$50.00
Total	\$1,179.00

After the completion of the Nurse Aide/ Assistant program, an individual may commence the Patient Care Technician program for advancement. In this program students will be able to demonstrate various methods of Phlebotomy such as; the vacuum method for venous blood withdrawal, the butterfly syringe and needle method for venous blood withdrawal, demonstrate a sterile lancet capillary blood withdrawal, an Autolet blood withdrawal for glucose level, the proper use of a Microhematocrit centrifuge, proper use of a Hemogloginometer to obtain a hemoglobin level. In addition students will learn the proper use of a Glucometer to obtain glucose level. Identify and label the parts of the most common diagnostic laboratory equipment, use basic skills in context of therapeutic and laboratory procedures. In this program/ course the student will label the major internal and external structures of the heart, describe the major function of the cardiovascular system, identify the five types of blood vessels, label the electric al conduction of the heart, explain the reason for performing on EKG, obtain a standard EKG rhythm strip, describe and Identify ECG characteristics of Sinus Rhythms. In addition the student will be able to describe and identify ECG characteristics of Atrial Rhythms, Identify ECG characteristics of Junctional Rhythms, describe and identify ECG characteristics of Ventricular Rhythms, describe and identify ECG characteristics of Atrioventricular, describe and identify ECG characteristics of AV Blocks, describe and identify different components of Pacemaker Rhythm, describe different Interference and trouble shootings and summarize various items of ECG interpretations.

Schedules:	Mornings	Afternoons	Evenings	Weekends
	9:00am-1:30pm	12:00pm-3:00pm	6:00pm-9:00pm	9:00am-4:42pm
	Mon-Thurs	Mon-Thurs	Mon-Thurs	Saturday & Sunday
	4 Weeks	6 Weeks	6 Weeks	5 Weeks

EKG & Phlebotomy

Total Course Hours: 90

School Tuition	\$899.00
Books Fee	\$230.00
Registration Fee	\$50.00
Total	\$1,179.00

Combination program/course which consists of EKG & Phlebotomy Technician.

Schedules:	Mornings	Evenings	Weekends
	8:30am-2:15pm	5:30pm-9:15pm	9:00am-4:30pm
	Mon-Thurs	Mon-Thurs	Saturday & Sunday
	5 Weeks	6 Weeks	8 Weeks

MEDICAL BILLING

Total Program Hours: 60

School Tuition	\$699.00
Books Fee	\$160.00
Registration Fee	\$50.00
Total	\$909.00

Students get an overview of medical insurance; learn coding procedures, and insurance billing procedures. Students also learn through computerized billing simulations how to create, save, retrieve, edit, and maintain patient files. In addition, post payments to patient accounts, produce insurance claim forms, correct and resubmit rejected claims, produce insurance claim activity reports and enter electronic claims.

Schedules:	Mornings	Evenings	Weekends
	9:00am-2:00pm	6:00pm-9:00pm	9:00am-2:00pm
	Mon-Thurs	Mon-Thurs	Saturday & Sunday
	3 Weeks	5 Weeks	6 Weeks

MEDICAL OFFICE ADMINISTRATION

Total Program Hours: 90

School Tuition	\$999.00
Books Fee	\$190.00
Registration Fee	\$50.00
Total	\$1239.00

In this course students learn about various aspects of medical office practices. The students will learn to identify essential elements of medical office environments. Students will learn to apply rules of medical record coding systems, creating and using a word processing document, entering data into a computer, identifying various methods for determining patient fees, completing a written itemized billing statement. Student will learn to use different office equipment such as: Computers, Fax Machines, and Adding Machines, etc. Students will also learn to use computer programs like Microsoft Word and Excel. Students will learn to make appointments and reminders, as well as entering and storing diagnosis codes and filing information.

Schedules:	Mornings	Evenings	Weekends
	9:00am-2:00pm	6:00pm-9:00pm	9:00am-2:00pm
	Mon-Thurs	Mon-Thurs	Saturday & Sunday
	4.5 Weeks	7.5 Weeks	9 Weeks

Of the 113 completers reported above, enter the number completing with any student loan debt:	
	110
For all students (both borrowers and non-borrowers) completing the program between July 1, 2014 to June 30, 2015, enter the median cumulative debt for each of the following:	
Federal student loan debt:	4718
Private loan debt:	0
Institutional financing plan debt:	0
PROGRAM COMPLETION IN NORMAL TIME:	
The normal time in <u>months</u> to complete programs as published in your institution catalog:	
	9
Of the 113 students completing the program between July 1, 2015 and June 30, 2016, enter the number who completed the program within the normal time reported above:	

	97% Completed within the normal time
JOB PLACEMENT:	
The job placement rate for program completers:	
	90.0%
Who is included?	
All students who completed between July 1, 2015 and June 30, 2016 are included in this calculation.	
What type of job?	
This job placement rate looks only at jobs that were in the field of study. Positions that recent completers were hired for include: Medical Assistant.	
When were they employed?	
This rate is based on program completers who were employed within 180 days of completion and were employed for at least 13 weeks.	
How were graduates tracked?	
This information is obtained through completer/alumni survey and the response rate to the survey is 92%.	
What agencies, if any, is this rate reported to?	
This rate is reported to Bureau of Proprietary School Supervision (BPSS).

Christmas Day	December 25, 2023

COMPLAINT PROCEDURE:

If you are or were a student or an employee of a Licensed Private or Registered Business School in the State of New York and you believe that the school or anyone representing the school has acted unlawfully, you have the right to file a complaint with the New York State Education Department.

You may make complaints about the conduct of the school, advertising, standards and methods of instruction, equipment, facilities, qualifications of teaching and management personnel, enrollment agreement, methods of collecting tuition and other charges, school license or registration, school and student records, and private school agents.

The steps you must take to file a complaint are:

1. Write to the New York State Education Department at 116 West 32nd Street, 5th Floor, New York, New York 10001, or telephone the Department at (212) 643-4760, requesting an interview for the purpose of filing a written complaint. Bring all relevant documents with you to the interview, including an enrollment agreement, transcripts, etc. An investigator from the Department will meet you and go through your complaint in detail.
2. If you cannot come for an interview, send a letter or call the office to request a complaint form. You must complete and sign this form and mail it to the office. Please include with it copies of all relevant documents. You should keep the originals. You must file a complaint within two years after the alleged illegal conduct took place. The Bureau cannot investigate any complaint made more than two years after the date of the occurrence.
3. The investigator will attempt to resolve the complaint as quickly as possible and may contact you in the future with follow-up questions. You should provide all information requested as quickly as possible, delay may affect the investigation of your complaint. When appropriate, the investigator will try to negotiate with the school informally. If the Department determines that violations of law have been committed and the school fails to take satisfactory and appropriate action, then the Department may proceed with formal charges.
4. In addition to filing a complaint with the Department, you may also try to resolve your complaint directly with the school. Use the school's internal grievance procedure or discuss your problems with teachers, department heads, or the school director. We suggest that you do so in writing and that you keep copies of all correspondence to the school. However, the school cannot require you to do this before you file a complaint with the New York State Education Department. If you do file a complaint with the Department, please advise the Bureau of any action that you take to attempt to resolve your complaint.

GRIEVANCE PROCEDURES:

1. Any student who desires to file a grievance about any action, employee or student of the school must follow the procedure outlined below:
2. The aggrieved student should first bring the matter to the attention of his/her instructor.
3. If the student is not satisfied at this level or if the student for some reason feels unable to bring the matter first to the attention of the instructor, the matter should then be brought to the attention of the School Director.
4. After a student has exhausted all means listed above, and the matter remains unresolved, he/she may seek assistance through the New York State Education Department.

New York State Education Department
Bureau of Proprietary School Supervision
116 W. 32nd Street, 5th floor
New York, NY 10001
Phone: 212-643-4760

5. Students may also contact the Council on Occupational Education regarding any matters which they are unable to resolve. The address and phone number for the Commission is:

Council on Occupational Education

7840 Roswell Road, Bldg. 300, Suite 325

Atlanta, GA 30350

770 396-3898

CATALOG DISCLAIMER:

The student should be aware that some information in the catalog may change. It is recommended that the students considering enrollment check with the Education Director to determine if there is any change from the information provided in the catalog. In addition, a catalog will contain information on the school's teaching personnel and program/ courses/curricula offered. Please be advised that the State Education Department separately licenses all teaching personnel and independently approves all program/ courses and curricula offered. Therefore, it is possible that program/ courses/curricula listed in the school's catalog may not be approved at the time that a student enrolls in the school or the teaching personnel listed in the catalog may have changed. It is again recommended that you check with the Education Director to determine if there are any changes in the program/ courses/curricula offered or the teaching personnel listed in the catalog.

CANCELLATIONS:

The student or the school may cancel the Enrollment Agreement before the class start date. All monies are refunded if the student cancels within seven business days after the agreement has been accepted by the school. If the cancellation is not received in writing or occurs after seven business days, only monies paid in excess of the enrollment fee will be refunded. All monies are funded if the school does not accept the agreement or cancels it before the class start date.

WITHDRAWAL:

Students may cancel the Enrollment Agreement anytime after the class start-date by informing the Education Director in writing of their intent to withdraw. However, regardless of whether or not the student provides written notice, a refund calculation will be performed when necessary. Non-attendance for three consecutive sessions may be considered a withdrawal by the student. The school may cancel the agreement after the class start date for non-payment of tuition, unsatisfactory academic performance, absenteeism or disruptive or unethical behavior.

TRANSFERS BETWEEN PROGRAMS:

New York Medical Career Training Center does accept transfers from other schools. If transferring from other school, applicant must submit a transcript and progress report from the school. Other documents may also be requested at the time of transfer.

Students enrolled in some program/ courses may transfer to Medical Assistant programs or Diagnostic Medical Sonographer (depending upon the curricula and the length of the program). All students enrolled for short program/ courses such as EKG Tech, Medical Billing or Phlebotomy Tech may transfer to the Medical Assistant Program as it comprises of these short programs/ courses as well. A student should enroll by completing the Medical Assistant Enrollment Agreement and after all paper work is completed, the student is the required to pay the difference of the remaining amount (the registration fee is non-refundable and non-transferable). Student will also receive a credit for all the classes that they have already attended.

PLACEMENT ACTIVITIES:

The Placement Director communicates with the students to arrange an internship site which could be a medical office, a pharmacy, a hospital or a nursing home, depending on the program that the student has completed. The internship provides a student with the opportunity to apply learned skills and to experience the work environment. Upon completion of the program/ course the students are contacted by the placement director for placement services in their respective fields. Although placement service is provided by the institution, New York Medical Career Training Center clearly explains that employment is not guaranteed and reassures that the student understands it.

PROCEDURE FOR REPORTING ACCIDENTS:

In the event of an accident or injury while on the job or attending the New York Medical Career Training Center, the following procedure must be followed:

The incident must be reported to the School Director within 24 hours of occurrence.

1. Depending on the nature and extent of the incident, the School Director must refer the injured party to an appropriate health care facility.
2. Provisions are made to transport the injured party to the facility. This may be done by summoning EMS or by having someone to take the person there.
3. The School Director must investigate the extent of the incident. If there were witnesses available, the Director should get their names and addresses on the Incident Report Form.
4. The School Director must follow-up with the injured person and the health care facility.
5. The School Director must document all findings. A copy should be placed in the employee/student's file.

EMERGENCY PLAN:

1. If a sickness or accident occurs, the instructor or staff person is instructed to contact the School Director.
2. If the illness or accident requires emergency care, the instructor or staff member is instructed also to summon an ambulance by dialing 911.
3. Students may be assisted by Registered Nurses or Doctors who serve as instructors in the Nursing Assistant and Medical Assistant Programs since these individuals are certified in standard First Aid and Cardiopulmonary Resuscitation (CPR).
4. In non-threatening situations, a faculty or staff member may be asked to phone a family member, whose phone number is on file in the student's permanent folder.
5. A First Aid Kit is maintained in the Media Center for minor emergencies. All staff members are aware of the location of this kit.

EVACUATION PROCEDURES IN CASE OF A FIRE:

After the decision to evacuate the entire building has been made by the Fire Department, and the alarm system activated, the following procedures should be followed:

1. At the sound of the alarms, all students should immediately take their positions as instructed by the supervisor or director of the facility. Prepare for a full building evacuation.
2. Occupants must immediately begin to evacuate the premises under the supervision and direction of supervisor or the person in charge of the floor.
3. Each floor has access to two stairwells. These stairs will be used to exit to the first floor lobby and out of the building. Elevators are not to be used during a fire evacuation.
4. Evacuated personnel shall congregate and remain there until a decision is reached to re-occupy the building or send people home.
5. The Fire Department will provide the "all clear" announcement. At this time, building occupants will be allowed to return to their offices.
6. Medical emergencies (e.g. heart attacks, unconsciousness, etc.) during an evacuation must be immediately reported to the Security Desk. The Guard will immediately notify the on-site Fire Department and/or paramedics of the incident.

EVACUATION OF INDIVIDUALS WITH DISABILITIES

Floor Monitors are required to submit a list of individuals who have physical disabilities or special medical conditions to the ERT. Two co-workers should be assigned ahead of time to assist individuals with disabilities during an evacuation.

However, Floor Monitors, Wardens, and the Fire Department may also be required to assist disabled individuals during an emergency evacuation.

It is the responsibility of ALL students to follow these procedures. No student should leave his/her group and wander around the building alone.

In the event of natural disasters, the following procedures should be followed:

- A. Hurricanes - Stay away from windows, and stay inside if you are not told to evacuate.
- B. Floods and Flash Floods - Move to the upper level of the building. Do not evacuate unless you are told to do so.
- C. Severe Thunderstorms and Lightning -
 - a. Stay inside, away from windows, water, faucets, sinks and metal objects.
 - b. Do not use telephones.
 - c. Turn off and unplug computers, typewriters and other electrical equipment you may be using.

VOTER REGISTRATION INFORMATION

Living in the United States, we have the privilege of electing our political leaders. In order to vote in elections, you need to register first. If you have just moved to New York, or if you have been here for years but were too young to vote and are now turning 18, here are some guidelines.

(This information can be found by holding Ctrl and clicking:

www.vote.nyc.ny.us/html/voters/voters.shtml)

Qualifications: To register to vote in the City of New York, you must:

be a citizen of the United States (Includes those persons born in Puerto Rico, Guam, and the U.S. Virgin Islands);

be a New York City resident for at least thirty (30) days;

be 18 years of age before the next election;

not be serving a jail sentence or be on parole for a felony conviction;

not be adjudged mentally incompetent by a court;

not claim the right to vote elsewhere (outside the City of New York).

Although you can register any time during the year, your form must be delivered or mailed at least twenty-five (25) days before the next election for it to be effective for that election.

How to Register:

Register In Person - Visit one of the New York City Board of Elections offices. Check for locations:

www.vote.nyc.ny.us/html/contact/offices.shtml

OR

Register By Mail

A Voter Registration form from the New York City Board of Elections may be obtained in the following ways:

English Hold Ctrl and click the following link

- [Complete English Form On-line \(304KB\)](#)

Spanish Hold Ctrl and click the following link

- [Complete Spanish Form On-Line \(310KB\)](#)

Chinese Hold Ctrl and click the following link

- [voterregchinese.pdf](#)

- Call the phone bank for a postage-paid registration form in the mail. Phone numbers can be found by holding Ctrl and clicking www.vote.nyc.ny.us/html/contact/bank.shtml

- Call the phone bank for a postage-paid registration form in the mail You may also obtain Registration Forms from libraries, post offices, and most New York City government agencies.

Fill out a Voter Registration Application form using only a pen with **blue** or **black** ink.

Be sure to sign the form.

Mail (DO NOT FAX) the Voter Registration Application Form to:

Board of Elections in the City of New York

32 Broadway, 7 Fl

New York, NY 10004-1609

Party Affiliation:

Party Affiliation in New York State

The application contains a section where you can indicate your choice for party affiliation. If you would like to register without designating a party, simply mark the space indicating, "I do not wish to enroll in a party."

The following parties are recognized in New York State:

Democratic

Republican

Conservative

Working Families

Independence

Green

Division of
Veterans' Services

ANDREW M. CUOMO
Governor

Addendum to Catalog

VA Pending Payment Compliance

Facility Name: NEW YORK MEDICAL CAREER TRAINING CENTER

Facility Code: 25392432

Person Completing Addendum: GUANGZHEN XIAO

In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation and Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

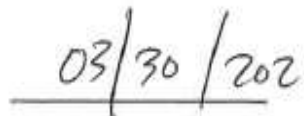

- Prevent nor delay the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources available to other students who have satisfied their tuition and fee bills to the institution, including but not limited to access to classes, libraries, or other institutional facilities.

However, to qualify for this provision, such students may be required to:

- Produce the Certificate of Eligibility by the first day of class;
- Provide written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies.

I, GUANGZHEN XIAO, do hereby certify this addendum to be true and correct in content and policy. Our institution will adopt this addendum, effective immediately, and will incorporate into the next revision of our catalog.
